

My favorite college football team is K-State.

They are my family's favorite too.

49-26

5-4 in big 12

Sat, Nov 16	vs	TCU	2:30 PM (CT)
Sat, Nov 23	vs	Oklahoma	TBD
Sat, Nov 30	vs	Kansas	TBD

Nobody in our family likes Kansas, but my youngest sister likes KU.

When we watch some other team she is almost always going for the team that is winning.

When the wild cat made touch down we were waiting for them to win the game.

This year K-state is not very good, but I'm waiting for them to win the game when they plays Kansas.

K-state
University
are in
Campaign
and they
are good.

K-state
have least
35 players.

When we watching K-state making touchdown
my little brother will say that oh oh oh

TOUCHDOWN **K-STATE.**

So if K-state win the game my
little sister will copy what my
little brother do.

When K-state win the game of KU it was a good game.

This is a bad bird is angry when they lost the game.

Even K-state is not very good this year, but they will get better next year.

K-state tried there best so is ok if they didn't win most of the game, but I Hope they will make it next year.

K-State have (THREE) more games left.I hope they will win all of them especially KU.

K-state is not doing that well,but I still like them.

Wildcat is an amazing cat of the world.

K-State never give up they run for the TOUCHDOWN.

K-State Knocks Off No. 25 Texas Tech, 49-26

K-state last year made a good year, they were lot better than this year, but K-state won't give up.

I like watch other teams too,but if K-state was playing I will always go for K-state,even my little sister go for the better team,I will go for the loser team until the other team that I don't like,like KU.

When my little sister watch football games and going for the winning team and if the winning team is not winning any more she would go for the other team.

K-state made some good runs.

Go watch some video on

K-state is not bad this year.

They played 10 games, and tomorrow they going to play against Oklahoma. Hope they will win.

Some teams are not too bad but I like K-State better.

The wildcat is another name for K-State.

K-State is better than KU.

This bird
is hurt!

K-state do not like
KU.

Watch out the
beak.

is ok he can't
tackle me,
because he don't
have hand.

I like when K-State win KU and win the Championship.

I don't like watch football all day about, but I like to play football or basketball with my little brother.

My Dad like to watch football and Andrew,Jaiden and Daniel,but
Brandon don't really like it.

Sometimes we watch football when
we are eating supper.

I don't really like K-State in basketball.
I most like K-state football.

I mean K-state basketball is not bad, is just that I don't really watch basketball a lot so I don't really know which team I like the best.

K-state is not is the TOP 25
this year, but I think they did
good this year.

I think K-state is going to
win the oklahoma tomorrow.

Sorry bird
I broke
your head
of are you
ok?

HELP I broke my
head of HELP,
HELP, HELP,
NOW.IS hurting
my body.

Well if you don't want get hurt than DON'T play FOOTBALL.

Yes you
can do it.

well you think you are strong, and
you think you can handle the
tackles. If you think so you can go
practice with this guy first.

Mom I want
to become a wild
cat.

Mom are you sure
about this.

I like to watch K-state football on the weekend or when I don't have anything to do and when at night time.

Go for wild cat, K-state and the real Kansas State.

K-state is the team that works together and they have piece and they don't want to give up.

I like K-state.

Once K-state made a touchdown when they got the ball and they made first down then they were had 10 second until the end of 4th Quarter and they were at the 85 yard line so the Quarterback said hut and some body run to the end of touchdown and the Quarterback pass the ball and there was four people are around him and he jumped and caught with one hand and jump over 1 person and made the touchdown.
